Dear Parents,

To ensure about **Safety** and **Security** of your ward you are requested to communicate and constantly reinforce your ward with the following points:

- Help them memorize phone number and full address. Write down other important phone numbers such as your work and cell phone in the school diary. Encourage them to carry it daily.
- Ask them not to talk to any strangers or accept anything from them.
- Tell them if someone follows; get away from him or her as quickly as they can. Always share with you anything unusual that happens throughout the day.
- Ask them to be with a **FRIEND** always when walking or riding bicycle to and from school. Always stay with a group. Tell them it's safer and more fun to be with friends.
- Encourage them to come back home directly after school and always share their whereabouts with you. Also note that your ward will not be asked to stay back in the school without intimating you in writing or telephonically.
- You are also requested to follow the school timings strictly to avoid rush during the peak hours of the school.
- It is an earnest request to abide by the rules and regulations of the school and to avoid any type of confrontation with the security personnel and the school staff as they are all deputed for the safety of students and smooth functioning of the school.
- Please refrain your wards from using two wheelers while coming to school. You are also requested not to stop or park vehicles in front of the school gates.
- You must ensure that mode of transport arranged by you like private vans, auto rickshaws etc. are absolutely safe for your children.
- You must avoid using transport services from vehicles not having valid license or permit to carry the school children.
- You should check antecedents of driver and conductor and police verification be got done at your end.
- **It is also observed that students using private transport services are left unattended on roads. They enter the nearby societies and at times trouble the residents. It is also unsafe for them to enter these societies. You are requested to ensure their drop and pick up on time to avoid any confrontation outside.**

Std.	Drop	Pick up
VI to XII	06.55 am	12.30 pm
NURSERY to SR. K.G.	08.50 am	11.50 am
I to V	12.50 pm	05.30 pm

- You should accompany the driver and conductor in such vehicles daily so that safety of your wards can be ensured. You can share this duty amongst yourselves as per your convenience.
- Parents who do not use school transport for their children are responsible incase of any mishappening that takes place.
- The school office/reception shall not accept tiffins or any material and does not take the responsibility to deliver it to the children in the class keeping in mind the safety norms.

The school expects your cooperation in imbibing a safety culture amongst students and thus prevent any untoward incidents.
