Dear Parents,

CAREER GUIDANCE PROGRAM FOR STD. IX AND X

Choosing the right career is one of the most crucial decisions of a student's life. Globalization along with rapid advances in technology have thrown open a plethora of new career options to the youth. This reality has created the need for Career Guidance to be an integral part of the education system. "The best way to choose a career is to be more informed."

Young Buzz will help the student through the process and facilitate the student towards making an informed choice.

Career Guidance Experience will include:

a) Aptitude-Interest-Personality Testing (AIP Test) on Thursday, 14th December 2017 from 8.30 am. to 11.30 am. It is extremely important for students to understand themselves before they decide upon a career. These tests will help them understand their Aptitudes, Interest and Personality

Aptitude – Is one's ability in a given area. The assessments measure 7 aptitudes i.e. Mechanical Reasoning, Verbal Reasoning, Numerical Ability, Language Usage, Space Relations, Speed & Accuracy, and Vocabulary Testing.

Interest – This indicates a student's like or dislike for the work involved in an occupation.

Personality - Personality indicates the sum total of characteristics of an individual. To ensure the adaptability of a student in a particular career, the tests measure the students on work values required for various careers.

b) Individual Counselling with Parents : Date : 2nd, 3rd and 4th January 2018

The counsellor helps the students become aware of their potential and opportunities, to make an informed career choice from several career options based on what their tests have revealed.

Each parent will be given 20 minutes with the counsellor. An in-depth discussion in which Test Results, Personal Aspiration and Goals are discussed to chart out a final career path. It would help in the career & subject selection of the students.

For enrolment, please deposit Rs. 750/- with the class teacher on or before 4th December 2017.

Mrs. Jayashree Khandekar
Principal
