Dear Parents,

Taking into consideration the current Pandemic situation and the extension of the reopening date of schools by Panvel Municipal Corporation (circular dated 30.12.2020), the school has decided to conduct the Preparatory Examination scheduled from 4th January 2021 to 15th January 2021, for Std: XII in "online mode" instead of offline mode. The online examinations will be conducted with the same scheduled date and time.

This is in order to ensure safety of the students.

Thanking you for your continued co-operation.

Mrs. Sreedevi S Pillai
Principal
