CLASS: IX

HOLIDAY ASSIGNMENT

ENGLISH

Maintain a diary for minimum 10 days during your vacation.

Instructions:

The diary entries should be written in foolscap paper in proper format per entry.

Each day diary entry should be of minimum 200 words.

The neatly handwritten sheets should be submitted to your respective subject teacher.

You can consider the following topics or write on any topic of your choice.

- **A Conversation that Stuck with Me:** Recount a talk you had with a family member, a stranger, or a friend. What did they say that made you think differently?
- **A "Letter" to My Future Self:** Write about how you feel right now and what you hope to remember about this vacation two years from now.
- **A New Skill or Realization:** Did you learn how to cook something? Did you realize you're actually good at navigating? Write about the "click" moment when you learned it.
- **A Day of Total Stillness:** If you had a "lazy day," write about the luxury of doing nothing. Describe the comfort of your bed, the book you read, or the music you listened to.
- **Technological Connect:** Write about your relationship with your phone or computer. Did you spend too much time on it today? How does it feel to be "constantly connected"? If you put it away for two hours, what did you notice that you usually miss?
- **A Flashback Reflection:** Find an old photograph or a physical object in your room. Write about the memory it triggers. Compare who you were when that photo was taken to who you are today during this vacation.
- **The Unplanned Adventure:** Write about a time a plan went wrong (a missed bus, a closed shop, a sudden rainstorm) and how you handled it.
- **An Encounter with Nature:** Describe a specific animal, a beautiful garden, or even a particularly dramatic sunset.
- **A Local Festival or Event:** If you attended a fair, a religious ceremony, or a community market, describe the sounds and the "energy" of the crowd.
- **A Scenic Discovery:** Describe a view or a place you found that felt like a "hidden gem." Focus on the colours, the lighting, and the feeling of the air.
